3) The Davangere city municipal Council in its Resolution dated 13 3 52 has approved of extending retrospective effect of this enhancement of D A to the employees of the municipal High School Council with effect from 1 12 51, Sanction & Cost being obtained to meet the excess expenditure involved from out of the municipal funds

4) The Cost of paying the Dearness allowance of the employees of the municipal High Schools has been a charge on the municipal funds and a fixed Contribution of Rs 7-8-0 per head towards this expenditure is being paid to these bodies by the Government as per G O no G-1254-55/EDN 103-46-52 dated 31 8 54) - The meeting of Any excess over this fixed Contribution whether it be by way of an enhancement or otherwise is the responsibility of the municipality as the municipal Councils were authorised in the G O dated 8/9-2-52 Referred to above to incur this expenditure by a Resolution and not by reference to Government, the present Recommendation - for Sanction of the Council Resolution is an apparent superfluity Since the mil. High School employees came Council partly as Govt employees of Govt and partly as of local bodies and their position in a sense is non descript, Sanction to cover out of the municipal funds the extra Cost involved in enhancing their D A as sought by the Commr as explained in his letter despte

Extension of the benefits of enhanced Dearness allowance to the municipal High school employees of Bng

The examination of the question in the order of 9.2-52 seems to appear as far fetched interpretation to the general permission given to the Local Bodies to incur such expenditure on their own by a Resolution and when such a Resolution has been passed it follows that the decision should be immediately implemented and the extra cost ~~charged~~ debited to the source from which this expenditure was being ~~charged~~ hitherto

5) As no Special Sanction of Govt in this case appears to be necessary and a reference has however been made by the Municipal Comm, a Reply will be sent to them to the effect that the extra cost on this account may be debited to the municipal funds

SUBJECT Representation of the Secretary, Teachers' Association Municipal High School, Davangere--in the matter of extending to them the benefit of the enhanced rate of Dearness Allowance as allowed to, in respect of the Non-Gazetted Employees of Bangalore City etc ,

---

In forwarding herewith in original the representation submitted by the Secretary of the Teachers' Association, Municipal High School, Davangere, in the matter of extending to them the benefit of the enhanced rate of Dearness Allowance as allowed to the Non-Gazetted employees working in Bangalore City, as per Government Order No Fl 4339-4424 S & A 55-48-1 dated 13th November 1948 and that as allowed to in respect of the non-Gazetted employees of the Davangere City Municipality as per Government Order No L 12011-13- C M 5-50-12 dated 22-2-1951, I write to state that the question of giving effect of benefit ot the enhanced rate of Dearness Allowance to the non-gazetted employees of Bangalore City and those of the Municipal Employees of Davangere City, as in Government Order No Fl 5235-5330 S & A 245-51-2 dated 1st December 1951 was considered by the Municipal Council at its meeting held on 13-3-1952 and it was resolved unanimously that the benefit of the Government order dated 1-12-1951 sanctioning enhanced rate of dearness allowance as applicable to Bangalore City be extended to the employees of the Municipal High School, Davangere and that sanction of Government be obtained to bear the Municipal share of the cost which would be met out of the closing balance with effect

from

from 1st December 1951

A copy of the resolution is herein enclosed for favour of reference

I write to state in this connection that Government Order No E 1254/Edn 103-46-38 dated 5th August 1947, permits the payment of Grant from Government at Rs 7-8-0 P M per head towards the Dearness Allowance of the employees of the Municipal High School vide copy of Government Order dated 5th August 1947 is enclosed for favour of ready reference

Government Order No L 12649-12787/M1 180-51-2 dated 8th 9th February 1952, permits the payment of enhanced rate of Dearness Allowance by the Local bodies to their employees without reference to Government It looks as though the Non-Gazetted employees working in the Municipal High Schools come under the category of Quasi Government and Local Bodies and as such it requires previous sanction of Government to bear the balance expenditure on this account purely from out of Municipal funds I am to state that the expenditure proposed is an unfore-seen one and not covered by sanctioned Budget Grant and has to be met from the closing balance of the Municipality

It may be stated here that the cost of living in Davangere is very high and it is found necessary to afford some relief to the non-Gazetted employees of the High School to maintain their standard of life

In view of this, the Municipal Council has passed an unanimous resolution for extending the benefit of the enhanced rate of Dearness Allowance as sanctioned in Government order dated 1st December 1951, in respect of the NonGazetted employees of the Bangalore City

I request you therefore to kindly obtain early sanction

Dated 18th Nov., 194

To

Sri Iyanahalli Doddaveerappa,
President,
City Municipality,
DAVANGERE.

Dear Sir,

I write to state that 26 employees of this High School have not been paid Dearness Allowance at the enhanced rate (Rs. 5 extra) since 1st December 1951 up to the end of July 1952 (8 mths The total amount will be Rs - 5x8x26 Rs - 1,040/- only.

A resolution recommending the payment of this amount was passed by the Municipal Council but, as it was tagged on, with another subject, namely, the sanction of City rates of D A to the Municipal High School employees, the whole matter has been submitted to Government for sanction. The Government have clearly stated that no separate Government sanction is necessary in respect of enhancement of D.A provided it is supported by a resolution of Municipal Council The Government have also definitely stated that the entire cost in this behalf is to be met by the Municipality That the Municipal Council is agreeable to pay the employees of the Municipal High School the enhanced rate of D A. is abundantly clear from the previous resolution, although another subject (for which Govt sanction is necessary) is tagged on to it.

In these circumstances you will please permit us to draw the enhanced rate of D A (for which no Govt Order is necessary as per G.O No L 12649-12787/M1 180-51-2 Banglore Dated 8/9th February 1952) on the strength of the previous resolution itself On the other hand, if you feel that a separate resolution is necessary, the same may kindly be arr to be considered and passed in today's Council's meeting for which speedy act and immediate redress of the employees, I s heartily extend my sense of obligation and indebtedness

I request you to please evince your supreme personal interest and rush to our relief. A copy of the above G.O. herewith enclosed for kind information
